2012 NEW AND REJOINING MEMBER DUES STRUCTURE

The dues structure for the 2012 membership year is listed below (effective September 1, 2011):

Active and Provisional Members

1 st Year	\$500
2 nd Year	\$650
3 rd Year	Prevailing Dues Rate

- Individuals who join under this new provision receive a **47 percent savings** over the former new member dues rate fees. (33 percent for those who are eligible for third member from same club dues rate.)
- This dues benefit is for new and rejoining members only; **reinstating members are NOT afforded these rates**. Membership reinstatement occurs when a dropped member pays his/her outstanding dues within the same dues year. Once a full membership year has passed, former members must rejoin CMAA.
- **Active classification** members who are rejoining under the step membership will have voting rights in Association affairs.

NOTE: 96 percent of all clubs pay their managers' annual dues for CMAA membership.
